

Project Update

BELLEVUE 600 | FEBRUARY 2025

ACTIVITY

In February the following work will be in-progress at the Bellevue 600 project:

- Site utility work will continue on both 110th St. and 6th Ave.
- Pedestrians will continue to be rerouted due to sidewalk closures adjacent to the site on 108th Avenue NE.
- Underground utility work will happen within the site fence along 108th Avenue NE.
- To facilitate construction activities on the project, the team will continue to shift traffic on 110th Avenue NE. Southbound traffic control measures will typically be in place Monday through Friday.
- The tower crane in the center of the project will be dismantled starting Saturday February 15th, working consecutively through Sunday March 2nd. Work will be performed within our site fence, however we will be closing the Eastbound lanes of the Bellevue Transit Center per new WA state regulations regarding crane safety. Temporary bus stops will be utilized at the following locations throughout the closure.
 - 108th Ave NE Northbound, South of NE 6th St.
 - 108th Ave NE Southbound, North of NE 6th St.
 - 110th Ave NE Southbound, South of NE 6th St.
 - NE 4th St Eastbound between 108th Ave NE and 110th Ave NE
